

## KDF FLAG DAY 2015

# MAKE YOUR DAY MEANINGFUL WITH KDF!

*Looking to do something meaningful this year but unsure how and where to start? Come join us for the KDF Flag Day this December!*

That's right, KDF's annual Flag Day is back. Since our first Flag Day held in 1997, we have had enthusiastic volunteers from various schools, corporate organisations and members of the public sign up as our Flag Day Ambassadors and take part in street collections. The main objective of the KDF Flag Day is to raise funds for our patients and at the same time, to create awareness on kidney health.

Since our inception, we have held true to our simple but firm belief that no needy patient in Singapore should perish due to a lack of funds for dialysis. So spend some meaningful time with us this December and help us achieve our fundraising target of \$35,000. This amount will help to fund the subsidised dialysis and medication programme for low-income kidney patients in KDF. Engage your friends, colleagues, or family members to join this meaningful event, for every extra pair of hands mean more hope and aid for our patients.

\*If you wish to join us as a volunteer as part of your organisation's CSR efforts, you are also welcomed to wear your corporate T-Shirt during the event. Volunteer shift timings can also be adjusted to accommodate your needs.
